

CONVERTIBLE DEBENTURE FINANCING

Montreal, September 9, 2016 - Stellar AfricaGold Inc. (TSX-V: SPX) ("Stellar" or the "Company") is pleased to announce that it intends to complete a convertible debenture (the "Debenture") for an aggregate gross proceed of maximum \$ 1,000,000 (the "Offering"). The Debenture will bear interest at an annual rate of 10% and will have a maturity date of 36 months from the date of issue.

The debentures will mature on the date that is three (3) years from the closing date and accrue interest of 10% per annum, payable semi-annually on a date that is every six (6) months from the closing date until the maturity date, subject to prior repayment or conversion of such debentures, in accordance with the terms and conditions of the debentures. The Corporation may elect, at its sole discretion, to issue common shares in the capital of the Corporation in payment of the principal amount of the debentures on maturity date. The interest due semi-annually, will be paid by issuing common shares of the Corporation at a price based on the average weighted trading price of the common shares over the course of the previous twenty (20) business days preceding the date the payment is due;

During the first 12 months, the debentures are convertible, at any time prior to the maturity date, at the option of the holder, in whole or in part, into common shares at a price of \$ 0.05 per common share and one half common share purchase warrant. One full warrant allows the holder thereof to acquire one additional common share of the Corporation at a price of \$ 0.10 for a 2 year period. Between the 13th month and the 36th month from the date of the closing of the private placement, the debentures are convertible, at any time prior to the maturity date, at the option of the holder, in whole or in part, into common shares at a price of \$ 0.10 per common share and one half common share purchase warrant. One full warrant allows the holder thereof to acquire one additional common share of the Corporation at a price of \$ 0.15, for a 2 year period. Corporation shall be entitled to redeem the debentures, at any time prior to the maturity date, in whole or in part, for the principal amount and any outstanding interest. The Corporation shall also have the option to convert the debentures at any time, in whole or in part, if the closing price of the common shares reaches \$ 0.10 or more for at least ten (10) consecutive trading days.

The convertible debenture is subject to regulatory approval. The debenture, warrants, underlying common shares issued will be subject to a mandatory 4 months and 1 day holding period.
